Dear James,

It has come to my attention that I neglected to write and congratulate the Quayside Community Board on the success of its 2nd Annual Festival and Sale in 2008, and to thank you for your generous gift of \$667.50.

We are honoured to be selected again as a beneficiary of this event. – your support is greatly appreciated. The funds will be directed to production costs of our upcoming production 'A Chorus Line'.

Sincerely,

Lorraine Law
